

On The Move tables:

Congratulations with your new Cane-line table, On The Move, designed by Strand+Hvass. On The Move is made from 100% solid aluminium providing a strong and durable solution. It is designed for both indoor and outdoor living. It is recommend making sure that rainwater is not left on the top for long periods as this can leave marks on the surface. Storing indoor in a covered area during autumn and winter time is recommended.

On The Move can be cleaned with lukewarm water and natural soap or cleaner for glass.
